

PROTOCOL FOR PUBLIC PARTICIPATION IN
YSCIR COMMUNITY COUNCIL MEETINGS

Participation by members of the public

This council meets and makes its decisions in public and is committed to community engagement and therefore warmly invites members of the public, the press, the police and county councillors to attend meetings and contribute within the public forum. A council meeting is not a public meeting, it is a meeting held in public and there is no requirement in law to provide a public forum but this council welcomes the opportunity to offer this facility.

Please respect the fact that this is a meeting to conduct council business and interruptions during council business are not permitted. If the business is disrupted in any way the person/s causing the disruption may be asked to leave.

Public participation will be for a maximum period of 20 minutes. Any member of the public wishing to speak must notify the Council Clerk no later than 15 minutes prior to the start of the meeting. *(Current standing orders indicate 48 hours notice)*

The agenda will indicate when the public participation will take place. This will be early on in the agenda so that councillors may take into account any views expressed when reaching their decisions. Public participation is only permitted regarding items already on the agenda and the matter may be addressed immediately or carried forward without discussion.

A maximum of three minutes is permitted for a member of the public to speak and only one person may speak on any agenda item. *(Is this too harsh? - it does avoid repetition though)* Two people may speak if opposing views are being expressed i.e. one for and one against a particular matter.

At the council's discretion the overall time limit on this section is 15 minutes.

Supplementary comment or question is solely at the discretion of the chairman. No question may be repeated within a 6 month period.

Guidance notes:- Make the most of your three minutes by preparing notes carefully. If several people want to speak on the same item try to get together in advance to pool your thoughts and choose the best person to speak for you all.

Participation by persons other than members of the public

This council will automatically provide an opportunity via the agenda for the County Councillor to attend and report to meetings and respond to any questions or queries from Councillors. A written report may be sent if attendance in person is not possible.
